**the second body portion is in the closed position; and a second recess in the first runner to hold the second body portion relative to the first body portion when the second recess coincides with the first detent, the second recess being positioned in the first runner to coincide with the first detent when the second body portion is in the open position.**

***Allowable Subject Matter***

4. The examiner's amendment above is needed to rearrange claim 31 to overcome the 112, 2<sup>nd</sup> paragraph rejection in order to put the case in condition for allowance.

5. Claims 11, and 14-39 are allowed over the cited prior art.

6. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 11, 25, and 31, the cited prior art fails to disclose or fairly suggest the claimed invention with the reasons set forth in the Applicant's remarks filed 10/12/2006, pages 9-11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
